

Designed for the beginning through advanced player, this league focuses on responsible competition, including skill building and a complete understanding of the game. Several levels of play are offered, ranging from tee ball to fastpitch for players ages 4–15 yrs. Each player receives a full competition-quality uniform. This league is instructed and overseen by certified youth sports professionals, ensuring a quality experience for all players and parents. Players can play up, or in more than one league, with the approval of league commissioner. Please note special requests for team placements (e.g. on the same team as friends) on the registration form. We make every attempt to accommodate special requests.

Games are played mostly on weekdays with the possibility of some weekend games. Participants play one to two games a week with one practice per week.
